

**BOY SCOUTS OF AMERICA - TROOP 358**  
**SUMMER CAMP**  
**CAMP CHERRY VALLEY ON CATALINA ISLAND**  
**AUGUST 1, 2010 THROUGH AUGUST 7, 2010**

Boy Scouts of America Troop 358 has arranged for Scouts to experience the challenges of Catalina Island and the Pacific Ocean for one week. We will depart from the Scout House on Sunday August 1, 2010 and caravan to San Pedro Harbor. The Catalina Express boat will depart approximately 1:00pm for Twin Harbors. The Troop will camp alongside the Pacific Ocean in tents provided by Camp Cherry Valley from August 1, 2007 through August 7, 2010. Scouts will have the opportunity to explore Catalina Island, boat, swim, and for an adventurous few to scuba dive in the Pacific Ocean. We will return from Catalina Island on Saturday August 7, 2010 and will arrive back home some time late afternoon.

Camp Cherry Valley, located on Santa Catalina Island, offers opportunities for world-class snorkeling, scuba diving, hiking, fishing, and numerous water sports such as canoeing, rowing, sailing, and swimming. A Scout can work on rank advancement, earn a variety of merit badges ... including, archery and rifle shooting ... or just relax in the great outdoors. Camp Cherry Valley is located on the leeward side of the Island, which means the cove is calm and protected from heavy surf ... a perfect place for lots of fun in the water or on the hiking trails! Hike-and-swims, war canoe races, touring an old silver mine, a sea lab with a touch tank for that up-close and personal experience with marine life, camping in comfortable tents under a unique variety of cherry trees, outstanding food ... it is all waiting for the Scout to discover.

We have reservations for a limited number of Scouts and adults. Your reservation will be secured when we receive your completed reservation form. It costs \$500.00 per Scout and per Adult. This includes a round trip chartered boat from San Pedro to Catalina Island and all meals. If a Scout is 14 years or older and interested in enrolling in scuba program, there is an additional fee.

In order to ensure our reservation, we need your reservation and a \$500.00 check by March 31, 2010.

For those attending Summer Camp, we will distribute the appropriate Medical Forms and Release of Liability Forms to be completed by each participant and signed by their legal guardians.

This is one of the Troop's premiere activities; do not delay getting your reservation in place.
